Agenda

Changes to Agenda - none.

Cates motioned to approve the agenda.

White seconded

Motion carried unanimously

Good News

From Mrs. Dorhout: Today, in all my classes, we watched a story about gratitude. Then, I asked the students to list some things for which they are grateful, especially things that they might take for granted. They wrote on their own.

When I asked the classes to tell me some of the things they wrote, all sorts of things were listed. However, one thing that I found interesting was that students in every single class--all six classes--told me they were grateful for school and an education. This was an unprompted response; I simply asked them to tell me what they wrote.

-The Electrical and Electronics Exploration Day at DMACC on Tuesday, October 3 was an amazing success with 13 students and 3 educators participating! PHS students learned about Electronics Engineering Technology, Electrical Trades, Applied Engineering Technology & Renewable Energy, Electrical Utility, and Robotics & Control Systems Engineering Technology programs.
